ORDERING INFORMATION

Rental Period and Pricing

The rental rate on most equipment is for 1 to 3 days. Pick up rental equipment the day prior to your event and return it the day after. Orders for weekend events may be picked up on Friday and returned on Monday. Rental charges apply whether the equipment is used or not. We would appreciate that any changes in your order be made at least 72 hours prior to your rental date or you may be charged a repacking fee.

Delivery and Set up

We deliver anywhere. Call for delivery charges in your area. Delivery includes normal ground floor delivery during our regular business hours. Additional charges apply for off-hours delivery and pickup. Equipment must be stacked and repacked in original containers when we pick up. Set up and take down of rental equipment is not included in our standard rental fee. These services are available at a nominal cost if arranged in advance.

Cleaning

Kindly return rental items clean and in their proper containers. A cleaning charge will be assessed on any equipment returned dirty (Excluding dishware and linens; see below).

Dishware

All of our china, glassware, silver, etc. is sterilized, plastic wrapped, and "table ready" for your immediate use. Please return items "food free" (rinsed—a thorough washing is not necessary) and in their original packing containers.

Linens

Shake out but don't wash table linens. Please remember you are responsible for damage to linens caused by mildew, burns, or tears. We will provide a bag for used linens. Please do not store damp linens in an air-tight container, as this can cause mildewing. Please return all skirting on the hangers provided. Skirting clips/pins need to be returned as well.

Deposits

All rentals require a 50% deposit. Deposits are refundable up to 30 days prior to your rental date. Deposits are not refundable if your order is canceled less than 30 days before your scheduled rental date.
